Peace to you! I am Lesley Moosman, Parish Administrator. Originally from the Finger Lakes Region of New York State, I grew up in Waterloo, the birthplace of Memorial Day. After 20 years in Phoenix, I met my wonderful husband of 25 years, Fred. We lived and worked in national parks and monuments until he retired in 2013. We have one daughter, Arielle, who attends New College/Barrett Honors College at ASU West. Arielle and I live in Arizona with my dad, Bob Luffman. Fred and our dog, Tiger, keep up our off the grid home in the Zuni Mountains of New Mexico. My big hobby is driving back and forth to New Mexico! I also love to sing, read, get outside to enjoy nature, spend time with family and volunteer in my free time.
