Born, raised, and educated in the Pacific Northwest, God's plan has taken me from Oregon to Washington, California, and Nevada. Arriving in Arizona in 2012, I knew I had found my forever home.

My professional life has been in Office Administration/Secretarial. After six years working as an office coordinator at a local Sun City church, I knew as I moved on, a church office is where I needed to be. Once again, God's plan revealed itself and I was given the opportunity of becoming a staff member at Peace Lutheran Church in May 2019.

In my off time, gardening, reading, and learning new ways to crash my computer, help me to relax and unwind.

As we move forward together in fellowship I look forward to meeting and getting to know each disciple of Peace and encourage you to stop by the office and say hello.
