Photo Release Opt Out Form Children and Youth – Under 18 Years of Age

Recording the memories of the activities at Peace Lutheran Church (PLC) and Preschool occur daily. At certain times, we wish to capture these moments for use to streamline communications and support the mission and work of PLC in the latest technologies—through the development of our church website at www.peacelutheranaz.org; the monthly PLC newsletter; bulletin boards; Media Shout and PowerPoint presentations; and other media, both for members of PLC and as PR for our church and preschool.

PLC would like to ensure that certain publishing guidelines are being followed in the development of church media. PLC publishing guidelines for children and youth include:

- Full name and other personal information such as address, telephone number, and email address will not be published on the web site.
- Children and youth in photos may be identified by first name and first initial of last name only.
- Photos of groups of more than three (3) individuals may be published without parental or guardian permission only if individuals are difficult to identify.
- Names of individuals may be published as long as the names are not directly tied to photographs which identify the individual.

My child is involved at PLC. As a parent of the child listed below,

- Permission IS NOT granted to use photographs of my child in church media.
